

5TH WORLD CONFERENCE ON CDG

A multidisciplinary scientific forum to advance and disseminate knowledge in the field WITH and FOR CDG families

WHEN: May 14-16, 2021

WHERE: Faculty of Sciences and Technology of NOVA University of Lisbon (FCT-UNL), Caparica, Portugal

THEME: “#StandUnited4CDG Patient Centric approach that drives CDG therapeutic development: Impossible, Is Possible!”

WHY YOU SHOULD ATTEND?

- The results of the Qualitative study led during 4th WCCDG named "What's the matter with you?" to "What matters to you?: a CDG families and professionals think tanks approach" will be presented.

- New sessions with high impact on current therapies will be addressed:

- Achieving the triple A's for CDG: Accessible, Available and Affordable treatments for CDG.
- The CDG digital revolution is now: Challenges and opportunities.
- Holistic care for people living with CDG.
- CDG Real World Evidence supporting research, advocacy and pharmacovigilance: Hopes, challenges and solutions.
- Mapping the CDG patient and treatment journey: a families and professionals united exercise.
- CDG-Quality of life questionnaire
- Engaging patients and professionals in prioritizing symptoms impacting quality of life for CDG.
- Rare CDG types: how to meet family's needs?
- What is Artificial Intelligence bringing for CDG?
- What is the CDG community doing to meet the Rare 2030 objectives?
- Regulatory and HTA assessment and the impact for CDG patients.
